TECHNOLOGY EDUCATION INTERNSHIP

A One Month Technical Teaching and Student
Support Internship Report

INTERNSHIP DURATION

JULY 2026 (4 WEEKS)

STUDENT CREDENTIALS

PIYUSH PODDAR

Enrollment / Roll No

25SCS1003002333

Program & Semester

B.Tech (CSE)

NAV JYOTI CHILDREN'S ACADEMY

Candidate & Program Overview

Candidate Details

Student Name: Piyush Poddar
Roll Number: 25SCS1003002333
Degree: B.Tech (Computer Science & Engineering)
Academic Batch: 2025-2029
University: IILM University, Greater Noida, U.P.

Internship Profile

Program Name: Technical Teaching Internship
Internship Domain: Campus Ambassador
Duration: 4 WEEKS (01st JUL 2026 – 31st JUL 2026)
SECTION: 2CSE14 (3rd Sem)
Issue Date: 12th August 2026

Organization Profile: Nav Jyoti Children Academy

Nav Jyoti Children's Academy is a CBSE-affiliated school located at Sapaha Road, Kasia, Kushinagar, focused on providing quality education and supporting the overall development of students.

Technology Education

Provides students with opportunities to develop computer literacy and practical technology skills through computer-based learning and activities.

Computer Laboratory & Practical Learning

Encourages hands-on learning through computer laboratory sessions, coding practice, MS Office activities, and technology-based exercises.

Educational Focus

To support students in developing foundational computer knowledge, coding awareness, digital skills, and an understanding of emerging technologies such as Artificial Intelligence.

Role, Responsibilities & Scope

The Campus Challenge

Students often have different levels of computer knowledge and may find programming and technology concepts difficult to understand through theory alone.

Practical guidance and hands-on activities are needed to make computer learning more engaging, simple, and understandable for students.

Technical Education Role

This internship focused on supporting technology-based learning for students of Classes 8–10 through explanations, demonstrations, and practical computer-lab activities.

Building practical skills in computer basics, MS Office, Scratch, Python, coding, and introductory AI while improving communication, mentoring, and problem-solving skills.

Work Methodology (July 2026)

1. Planning & Preparation

To identify suitable computer science topics and prepare simple, activity-based learning sessions for students of Classes 8–10.

2. Concept Explanation

To explain computer basics, MS Office, coding, Scratch, Python, and AI concepts using simple examples and demonstrations.

3. Practical Activities

To conduct hands-on activities in the computer laboratory and allow students to practice the concepts learned.

4. Student Guidance & Feedback

To assist students during practical exercises, resolve their doubts, provide individual guidance, and encourage active participation.

Overall Outcome:

Improved practical computer skills, coding awareness, digital literacy, and understanding of technology among students.

Certification & Official Verification

Verification Metric	Official Record / Credential Details
Internship Title	Technical Internship Internship
Issuing Organization	Nav Jyoti Children’s Academy
Academic Patronage	IILM University, Greater Noida
Letter Date	12th August 2026

INTERSHIP CERTIFICATE

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Piyush Poddar**, a student of B.Tech (Computer Science and Engineering), IILM University, Greater Noida, has successfully completed his internship at **Nav Jyoti Children's Academy**, Kasia, Kushinagar as a **Technology Education Intern** from **01 July 2026 to 31 July 2026**.

During the period of his internship, he actively assisted in conducting technology-based learning sessions for students of **Classes 8 to 10**. He conducted and supported practical activities on computer basics, coding, MS Office, Scratch, Python and introductory concepts of Artificial Intelligence. He also helped in managing the computer laboratory, guided students with hands-on exercises, and contributed to various technology-related academic activities organized by the school.

We appreciate his enthusiasm, dedication and sincere efforts towards promoting digital literacy and technology education among our students. We wish him all the best in his future endeavours.

R.K. Singh
